

Upcoming

PUBLIC INVOLVEMENT opportunities:

We want to hear from **YOU!**

HARRIS COUNTY

UNIFIED DEVELOPMENT CODE UPDATE

The update to the zoning and development codes to create a Unified Development Code (UDC) is an important process for the Harris County community, and **public involvement is a critical component.**

Ongoing

Take the **community survey** to provide feedback on the development codes update.

September

COMMUNITY WORKSHOPS

- **Dates:** September 22nd (Tuesday) & 23rd (Wednesday)
(Attend either one! - Same information presented at each meeting)
- **Time:** 2:00pm – 7:00pm (“Drop-in” format)
- **Location:** Harris County Community Center - 7509 SR 116, Hamilton, GA 31811
- **Format:** “Drop-in” (Attend at your convenience during allotted hours) & **Virtual***
(Different “activity stations” will be set up that provide an overview of the project, key issues and needs identified thus far, and opportunities to provide feedback through individual activities.)
- **Health & Safety:** Temperatures will be taken at the door. If you feel as if you may be sick, we ask that you please stay home and participate using the virtual meeting option (see below for details).

Social Distancing Practices

Social distancing practices will be encouraged and implemented during in-person meetings.

- Face masks recommended
- 6 ft distancing between participants & activity stations
- Limited # of participants at one time

*Virtual Meeting Option

- Online format - Virtual “Meeting Room” that can be accessed through the Project Website (links on bottom right).
- All presentation materials will be available to view online and participants will be able to submit questions & comments online.
- Materials and information presented at the Public Workshop will remain on project website.

Can't attend the meeting or prefer to participate online?

A virtual meeting platform will be provided that contains the same information presented at the workshop. You will be able to access the meeting materials through the project website links below.
